

Pacific Neurosurgery-Burlingame Office
345 Lorton Avenue, Suite 102
Burlingame, CA 94010

From Highway 101 North or South:

Take the Broadway, Burlingame exit going west. Turn left at California Street (just past the train tracks) and go south to the traffic circle. 345 Lorton is the large brick building on the west side of the traffic circle. You can drop off at the driveway entrance, but there is no parking in the building. Pacific Neurosurgery, Suite 102, has an outside entrance directly off the driveway, with a wheelchair ramp.

From I-280 North or South:

Take the Trousdale exit and follow Trousdale to California Street. Turn right at California Street and go south to the traffic circle. 345 Lorton is the large brick building on the west side of the traffic circle. You can drop off at the driveway entrance, but there is no parking in the building. Pacific Neurosurgery, Suite 102, has an outside entrance directly off the driveway, with a wheelchair ramp.

Parking: The parking options available are public lot parking and metered parking. Metered parking spaces are usually available in all areas of Burlingame. We recommend you come a bit early to find a parking spot. *Burlingame Avenue is a busy downtown area and parking can be quite challenging at time.*
